Pizza Styles

Chicago~style Stuffed Pizza -

Famous the world over! Your cheese and toppings are baked inside of a deep pan with two layers of dough. Our homemade marinara is served on top. Depending on your toppings, the large version of this pizza can weigh over six pounds!

Thin Crust -

While Chicago is known for deep-dish and stuffed pizza, many neighborhood pizzerias serve a unique style of thin crust pizza only. The crust is crispy on the bottom but remains chewy. Of course, it's always cut in squares!
